- ❖ **Affiliates** : Companies or individuals officially attached to the main stand holder, often for the purpose of marketing and sales.
- ❖ **Dashboard** : Interface where you can monitor your leads and your company page statistics
- ❖ **Emperia on-site lead capture** : Emperia app that allows exhibitors to scan visitors' badges at the market and find their contacts in the online dashboard.
- ❖ **Primary administrator** : The main contact in your company to prepare the market who has access to the company page, receive Emperia lead notifications, register exhibitor delegates, invite affiliates and add other secondary administrators. Once added, secondary administrators can have the same rights as the primary one (unlimited additional secondary admins).

HOW TO LOG IN TO YOUR COMPANY SPACE ?

HOMEPAGE OF YOUR COMPANY HUB

Here you will find the name of **your company**

Here you will find the name of your **package type**

Here are the details of **each section** of your Company Hub

EDIT MY PROFILE

The profile editing section is made up of two parts, one dedicated to **editing your company profile**, the other to **managing/adding other administrators from your company**.

Complete all the elements that will be used for:

- your listing on the fair's website search engine
- your recommendation to visitors who pre-register

Here you will be able to **navigate between both parts**

Access the **profile section** to modify your company's information

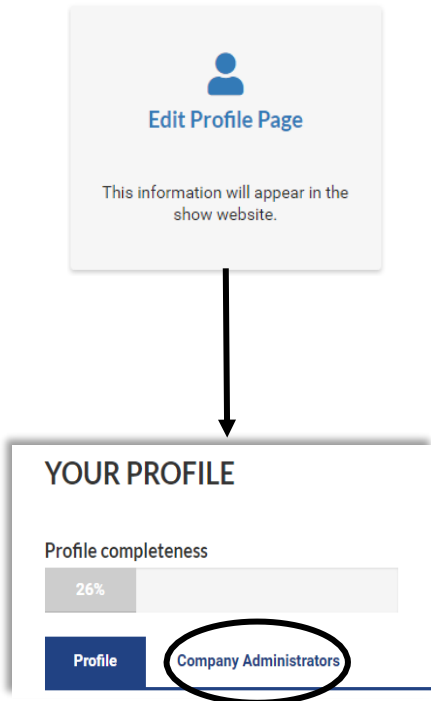

Please **complete your company profile** with as many details as possible !

Logo, description, cover image... **Boost your business opportunities!**

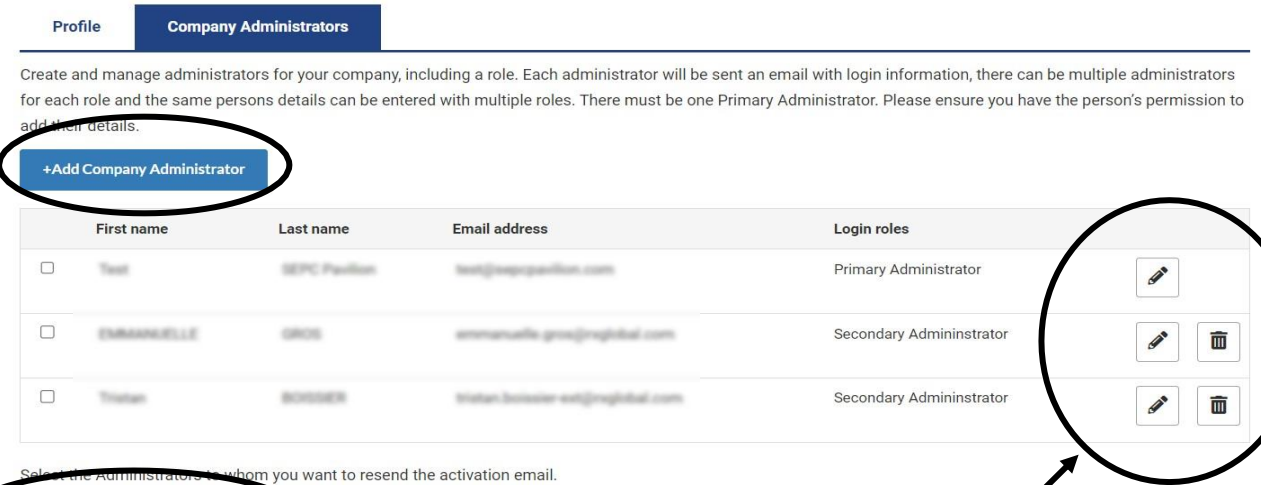

EDIT MY PROFILE - COMPANY ADMINISTRATOR TAB

Exhibitor administrators are individuals from your company who require access to the exhibitor space. Secondary administrators will have the same access as the primary administrator.

Please add any of your colleagues who **should have access to the company page full set up.** They will receive an activation email.

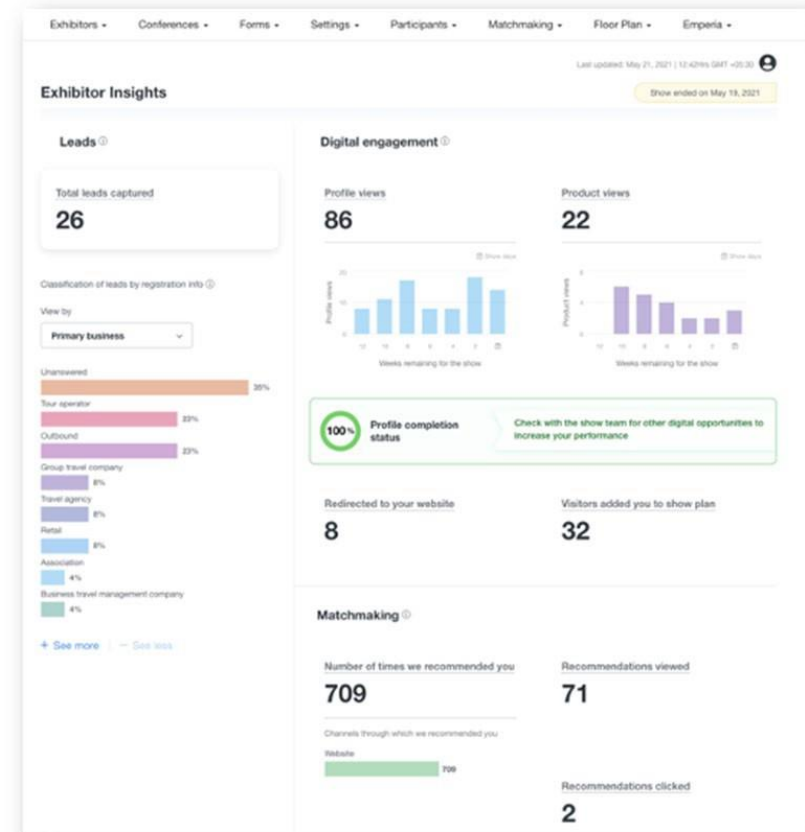

Resend the activation email to the company page (in case your colleague did not receive it)

Update your company admins list at anytime

The Exhibitor Dashboard allows you to **access a wealth of data regarding your performance at the exhibition.** This dashboard synthesizes your leads generated during the show (*with Emperia app*). Its pro version also allows you to **compare yourself with your competitors.**

This page only becomes accessible **90 days** before the show.

A large amount of data is available to help you understand the **typology of your leads, your strengths, and areas for improvement** for your next exhibition.

EMPERIA : THE LEAD GENERATION SOLUTION

Mobile App to scan visitors' badge at the market

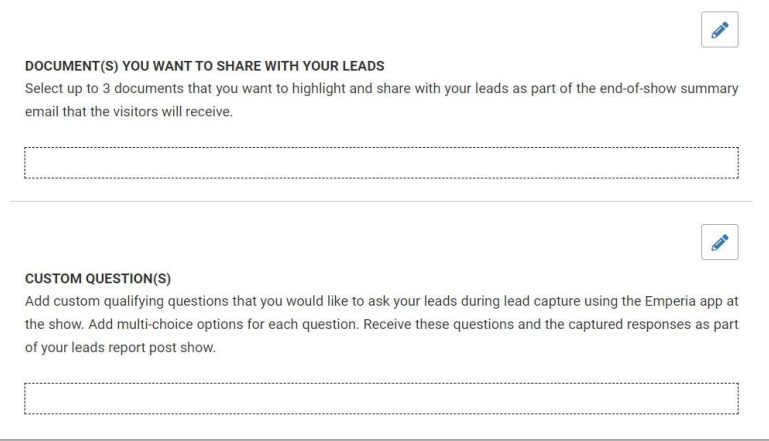

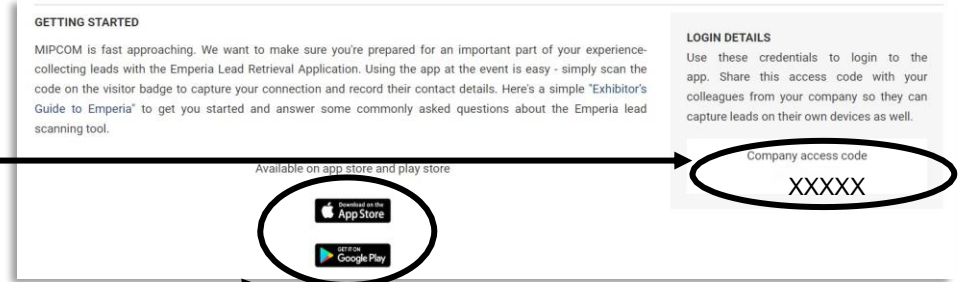

Lead Manager (formerly Emperia) is a mobile app **to scan visitors' badges at the exhibition.** Collect contacts and find them in your online report available on your exhibitor dashboard.

Customize your account by indicating your company access code

Download the Lead Manager Mobile app from the App Store or Google Play

Upload up to 3 documents about your company sent to the visitors you scan at the market

Add qualification questions that will be asked to the visitors you scan, in order to better know them

LEAD MANAGER : THE LEAD GENERATION SOLUTION

Download your leads

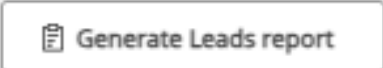

Download the complete list of all your prospects in a single report, available in .csv or .xlsx format.

Every day during the fair or at its conclusion, you have access to visitors who have been scanned by all your collaborators.

At the end of the fair, individuals who have been scanned will receive the documents you have uploaded in the Lead Manager menu of your exhibitor space, as well as your contact details.
